

How to Create A Parent Access Account

In order to create a Parent Access account, you must have an Access Account ID and Access Password for each student you wish to add to your account. This information will be provided to you when you turn in your signed Acceptable Use Form.

All schools can get to Parent Access at the following link:

Click on the Create Account button. In the future after your account is created, you will login by entering your User Name and Password at the top of the screen.

Create Parent/Guardian Account

Enter the following information:

- First Name
- Last Name
- Email address
- Desired User Name - This is the name you will use to access the system in the future. (Do not use your email address.)
- Password and Re-Enter Password -The gauge on the right lets you know the strength of your password choice.
